

NEXT STOP

QB

The central graphic features the text 'NEXT STOP' in a bold, dark blue font above a white speech bubble with a blue border. Inside the speech bubble, the letters 'QB' are written in a large, bold, blue font. The speech bubble is flanked by two blue location pin icons. The entire graphic is set against a yellow background with a geometric pattern of triangles. Various icons are scattered around: a blue information icon in a speech bubble on the left, a pink speech bubble with a feather on the right, a blue speech bubble with a pen nib on the right, and a green speech bubble with a leaf on the bottom right. Lines with circular nodes connect these elements, suggesting a network or flow.
